THE REBELLION CRUSHED.

The governmental reports on the Republican insurrection in all are true, although the Republicans still claim that their armies are unbeaten. A conspiracy, having for its object the surrender of the Peninsula, at the Duke de Rivas to the insurgents, is discovered and thwarted by the government. The Captain of the steamer, who is said to be leader of the conspiracy, has been arrested.

MADRID, Oct. 13.

The Republican insurrection is declared to be at an end. Previous to the final defeat on Thursday the Republicans gathered across their army fifted and placed in disposition with the Insurgents.

The Captain General of Cuba will, undoubtedly, confer with the insurgents before any decree is issued. Cabrera are to accept the Royal decree in Spain with pardon, and if peace in the Island is established the Independents of Cuba to be recognized.

THE CUBAN INSURGENT CHIEF.

NEW YORK, Oct. 19.

The Tribune thinks to-morrow's dispatches will contradict the Captain General of Cuba's boast of an urgent necessity to the Madrid Government for all troops that can be spared. It is believed by all that the Spanish treasury was empty, and the transfer of troops from Cuba to Spain and the Peninsular would be required for military and political purposes. Spain will furnish troops, but Cuba must supply the cash.

France.

ARMY APPROPRIATIONS.

The Journal Officiel contains the following appointments: Marshal Bazaine, Commander-in-Chief of the Army of Metz; Marshal Canrobert, Commander-in-Chief of the Third Army Corps; Marshal Niel, Minister of War.

A DUEL.

It is currently denied and there is very positive reason for the denial of the duel between Rochefort and Pietri.

THE CONVENTION.

Nominations of Ward Officers.

TWENTY-THIRD WARD.

Last evening was held last evening in the Sixth Ward to ratify the nominations of that ward, which were given in the morning's issue of The TRIBUNE. The meeting was held in Morrow's Building, on West Madison street, Mr. Samuel Snow presiding.

[illegible] Mr. Snow, in a few appropriate remarks, stated the object of the meeting to be to ratify the nominations of the Citizens' Committee, and to see if there was a unanimity of feeling in the ward in favor of the nominations. He was pleased to see so many present, and hoped there would be a full attendance at the polls on election day. He was in favor of the People's ticket, and hoped every man would vote it.

Mr. H. H. Wheeler was then called upon to preside over the meeting, and on taking the chair returned his thanks for the honor conferred upon him. He was in favor of the People's ticket, and hoped every man would vote it.

On motion of Mr. Hoyne, a committee of three was appointed to wait upon the Citizens' Committee of the Twenty-third Ward, and inform them that the meeting was ready to receive the report of the committee. It was moved and carried that the chair appoint the committee. The chair appointed Messrs. Hoyne, Sheridan, and Holden as the committee. The committee retired, and after a few minutes returned, and reported as follows:

For Supervisor—T. H. Wing.
For Assessor—J. Shithardt.
For Collector—Royal Fox.
